

About us

NotJustLayout specializes in web design and development.
We are both based in Italy 🇮🇹 and U.K. 🇬🇧.

We think that for your online presence to really count, your website needs to exude credibility, confidence and efficiency and match your brand. NotJustLayout knows how to achieve this, by blending strong design, innovative content, with cutting edge, yet tried and tested functionality - A combination that will enable your business to not just survive in the online world, but thrive.
